To: County Commissioners
Citizens of Gaines County

Submitted herewith is the budget for Gaines County for the fiscal year 2012 beginning October 1, 2011 and ending September 30, 2012 as adopted by Commissioners Court on August 16, 2011. This budget anticipates tax revenues of \$20,170,884.00 in 2012. There is no increase in tax revenue planned. The General, and the Farm to Market Funds account for almost all of the "Maintenance and Operations" budget for the county. Approximately 94.34% of the revenue for these funds will be realized through an ad valorem tax. The total tax rate for these funds is \$0.352352 cents per 100 dollars of assessed valuation as adopted by Commissioners Court on August 16, 2011. The remainder of the receipts will come from other local sources and state payments.

The total tax rate is comprised of \$0.236806 cents for the General Fund and \$0.115546 cents for Farm to Market Road Funds. Gaines County has no long term outstanding debt. All properties are assessed on 100 percent of actual value in 2011. The assessed valuation increased approximately 4.05 percent from the previous year primarily as a result of increase mineral valuations from the prior year.

More detailed information on the proposed budget, including comparisons with previous years, is shown in following schedules. This budget document also includes the authorized positions, salary schedule, compensation policy, cellular telephone allowance policy and travel expense policy that were adopted or approved by Commissioners Court for the 2012 budget year. We will be pleased to answer any questions you may have.

Respectfully submitted,

Lance T. Celander, County Judge

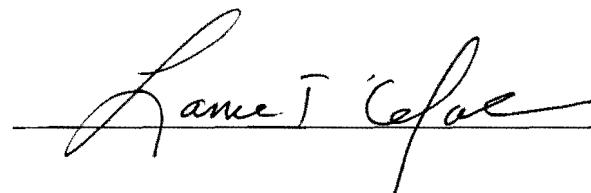

Rick Dollahan, County Auditor

Nonexempt employees (hourly wages) shall be compensated for up to forty (40) hours per average work at straight time whether such time is worked or taken as vacation, sick leave or compensatory-time. For nonexempt monthly salaries, the straight time hourly wage shall be calculated as follows:

Monthly salary X 12 divided by 2080 = hourly rate

All overtime payments are subject to budgetary limitations and department heads must not exceed their budget if considering allowing employee overtime.

Monthly salary X 12 divided by 2080 X 1.5 = overtime hourly rate

Compensation for each holiday shall be for not more than eight (8) hours at straight time if no hours are worked and for not more than eight (8) hours at time and one-half for any hours that are worked. Every legal effort to avoid overtime work shall be administered by department heads.

Expense Advance and Travel Reimbursement Policy

All officials and employees can ask for advances and reimbursement for all hotel, mileage and other public purpose travel expenses that can be reasonably estimated or actually occurs while traveling for training or on other county business.

The IRS mileage and daily meal per diem rates will be reviewed annually and used as a guideline for setting reimbursement amounts for county officials and employees. The current IRS mileage rate is \$.555 cents per mile and the IRS daily per diem rate is up to \$45.00, if it involves overnight stays. The per diem rate is a non-accountable plan and does not require meal receipts. If to or from travel involving an overnight stay is less than a full day the rate is broken down as \$10.00 for Breakfast, \$15.00 for lunch, and \$20.00 for dinner.

In FY 11 and beyond, the Court has directed that all travelers seeking a reimbursable mileage payment will use either Google Maps or Map Quest to determine the mileage using the most direct route. "The most direct route" starts at 101 S. Main St., Seminole, Texas to the Business/Conference site or the host hotel and return by the same route.

Receipts and claims for all travel, hotel, and other expenses must be submitted to the County Auditor, with an expense report claiming reimbursement. The Auditor's office will audit the reimbursement request and process it to accounts payable any and all valid claims against the county. Request for advances will be treated in the same manner.

For travel that does not involve overnight lodging, any and all requests for meal reimbursement must be processed through payroll. Additionally, all claims for meal reimbursement for this type of travel must include detailed receipts to ensure the correct amount is properly reimbursed through payroll. Only those amounts on a valid receipt will be reimbursed.

Expense Advance and Travel Reimbursement Policy (continued)

1. Expense advances may be requested, and a check issued during the next Accounts Payable cycle. The form entitled "Request For Travel Expense Advance" is self-explanatory. To obtain an expense advance, the form must be submitted to the Auditor no sooner than fifteen working days prior to the date of departure and no later than 12:00 noon on the Monday the week prior to the Commissioners Court meeting when accounts payable are approved--usually the second and 4th Monday of each month. Holidays or other circumstances may affect the deadline or the meeting schedule.

2. The form entitled "Travel Expense Report Form" and receipts must be submitted to the Treasurer along with any payment due County within seven (7) days of the travel return date whether or not there is a balance due the County. If the report is not timely, the entire amount of the advance shall be deducted from the recipient's next paycheck and the Travel Expense Report, if and when it is eventually submitted, shall be treated as though no expense advance was issued in the first place. Such payroll deductions shall be credited to the department account from which the advance was debited.

No reimbursement shall be paid for meals purchased within Gaines County (juries and court witnesses excepted). Only the expense of meals consumed by employees and officials or legal wards of or witnesses for the County shall be reimbursed. A request for reimbursement of out-of-pocket expenses must be submitted to the Auditor's Office on a "Travel Expense Report Form."

Meals reimbursement requests for anyone not on the Gaines County payroll must meet the Texas Supreme Court's 3-Part test and Article III Section 52 of the Texas Constitution to determine if the expenditure meets a "Public Purpose". Then the Commissioner's Court must deal with the request and approve such in the next court meeting before the Auditor's Office can process the request for reimbursement.

Sheriff's Petty Cash Fund

In accordance with Article 130.904 of V.T.C.A., local Government Code, Commissioners Court establishes a "Sheriff's Petty Cash Fund" in the amount of \$3000.00 for the purpose of advancing expenses to an officer or employee of the Sheriff's office for travel outside the county to conduct an investigation or to obtain custody of a prisoner. Accounting for the advance and subsequent expenses shall use "Request For Travel Expense Advance" and "Travel Expense Report" forms as modified by the Auditor for the purpose of this fund. Expenses paid from the Sheriff's Petty Cash shall be subject to the same restrictions and conditions as described in the preceding travel expense policies. To replenish the fund, the Sheriff shall submit a report as prescribed by the Auditor by authority of applicable Articles in Chapters 112, 113, 114 and 115 of V.T.C.A., Local Government Code.

Chief Deputy Salary Policy

The incremental salary difference is awarded and shall be paid monthly only if the Chief Deputy is available, qualified and able to perform all functions of office during an elected official's absence with exception of simultaneous sick leave of both the elected official and the Chief Deputy.

COMPENSATION POLICY

The Gaines County Commissioners Court will automatically review and consider the Consumer Price Index (CPI) average for the prior twelve month period as the starting point for raises for all officials and employees during budget hearings each year. Any raises will be contingent upon other budgetary considerations and subject to the availability of funds in the budget.

LONGEVITY PAY

I. POLICY

The Gaines County Commissioners Court has long recognized and rewarded employees for their continued service to the county. Starting in FY 2007 the Court has added Officials to the longevity pay schedule retroactive to their original hire or elected dates as applicable. However, because a prior court cannot obligate a future court, this policy will be subject to review and modification each year during budget hearings. Any future changes will be contingent upon other budgetary considerations and subject to the availability of funds in the budget.

**GAINES COUNTY
CELLULAR PHONE ALLOWANCE POLICY**

EFFECTIVE DATE: **OCTOBER 1ST, 2006**

PURPOSE:

To reduce cellular telephone costs by eliminating all cellular telephones provided by Gaines County and replacing them with a monthly allowance for authorized individuals to pay for cellular telephone services. Further, to establish Commissioners' Court approved policies regarding the use of an allowance granted for cell phone use. The allowance will be *\$65.00 per month for all county officials/personnel based upon the nature of their duties*, paid through payroll, for each authorized user.

I. GENERAL

- 1.01 Access to cellular telephone services is provided to GAINES County Officials and employees to enhance public safety or improve productivity and responsiveness to our citizens.
- 1.02 Officials/Department Heads agree to review their department's usage monthly and on an annual basis. Prior to each year's budget Officials / Department Heads also agree to justify and obtain approval through Commissioners' Court for their department's cell phone allowances.
- 1.03 JUSTIFICATION GUIDELINES:

Officials/Department Heads should justify their employee authorizations by using each of the following guidelines and identifying how users may fit within each of the three categories below:

A. Nature of user responsibility:

- 1) Users should have a significant component of their work outside a permanent office; or
- 2) Users have a significant "on-call" responsibility such that the user must be readily available outside normal business hours and require rapid telephone access; and

B. Demonstrable improvement in public safety, public service or employee productivity

- 1) Enhance public safety by providing access to a cell phone for users to make direct contact with police, fire or other federal, state, local or private agencies or for use by County public safety agencies to contact citizens about their calls for service; or
- 2) Enhance public service by access to a cell phone such as rapid access to parties in a more rapid and timely fashion than use of landline services; or
- 3) Improve productivity by providing access to a cell phone the user may contact County offices or other agencies, suppliers, vendors or others where there is no access to alternate communication methods (such as land based telephones) or employees would lose time and productivity by using such other methods or where the employee is required to be "on-call" to respond to County issues.

And

- C. There are no other practical alternatives for cost effective and timely communications using landlines or other communications methods such as pagers or existing County two-way radio systems.

II. CELL PHONE ALLOWANCE

- 2.01 Each elected official or department head will provide the County Auditor with the names of those individuals from their departments that meet the criteria specified in section 1. The Auditor will consolidate the listing once all names are in and present the total list to the commissioners' court for review and approval. Once approved, the list will be provided to the Treasurer's office for inclusion in the payroll system. The allowance will then be distributed through the payroll process.
- 2.01.1 Each official or employee that receives this allowance is required to submit proof of cell phone service in their name to the Treasurer BEFORE the cell phone allowance is started. Additionally, each allowance recipient must be prepared to show proof of existing service to the County Treasurer and/or the County Auditor at any time. Failure to do so will result in the immediate termination of this allowance.
- 2.02 *Users receiving the \$65.00 Cell phone allowance will be required to follow the procedures set forth by the County Auditor in paragraphs 2.03 – 2.08.*
- 2.03 Gaines County will not guarantee payment of user bills or in any way be a party to any agreement between the user and the Cellular Phone provider.
- 2.04 Users may obtain service from any provider of their choice and the user must acquire service that meets the following minimum standards:
- A. A reliable handset kept in good working order to make and receive calls;
 - B. Voice mail to receive messages if in an area of low signal strength or to receive messages if the User is on the phone with another party;
 - C. Roaming capability if necessary to receive and make County related calls;
 - D. Long distance capability if necessary to receive and make County related calls.
 - E. A battery that is reliable in operation that can be continually charged to make and receive calls for County business.
- 2.05 Users are required to make prompt payment of their cellular bills to the provider of their choice to ensure that the phone is available at all times to complete their County work duties. Authorized users should notify their supervisors immediately if they no longer have a cellular phone. *Failure to maintain active service with the phone provider will terminate the employee's phone allowance immediately.*
- 2.06 The users under this Policy are completely responsible for payment to their provider of choice, including but not limited to any amount determined to be in excess of the approved monthly cell phone Allowance.
- 2.07 Users may use the cell phone for any legal purpose they so desire, including personal use on personal time, however, they must ensure that the "charged" cell phone is available for use to conduct County business.
- 2.08 Officials/Department Heads will ensure that they have appropriate funds in their budget for the monthly cell phone Allowance for each user.
